Anno 1800 has set sail, bringing players all across the globe in touch with our studio's 21 years of city builder experience. At Ubisoft Mainz (Germany), we are now looking for a talented and motivated QA Tester [Anno 1800] (f/m/d) to help us ensure the best player experience.

Your responsibilities:

- Check the functionality of our game features
 - Seek and analyze bugs systematically and record them in our database
 - Test gameplay and review balancing
 - Recommend design improvements or corrections to the development team throughout the development process
 - Create test cases
 - Maintain the test management tool
-
- Experience with and personal interest in quality assurance
 - Experience with bug tracking and test management tools
 - Professional work attitude (discipline, efficiency, attention to detail)
 - Good communicator with strong interpersonal skills
 - Ability to work in a team as well as independently
 - Ability to work efficiently under pressure
 - Good knowledge of Games
 - Basic knowledge of MS Office
 - Knowledge of soft- and hardware
 - Fluent in English

Your benefits:

- Flexible working hours
- External training, education in our in-house guilds and knowledge sharing with other teams

- Fresh fruits, discounted gym membership, corporate benefits and support for child care
- Free bike rental or lease your own bike
- Working in an innovative and international company

We offer a highly motivating challenge for team players interested in showing personal initiative in an innovative and international company. If you are passionate about video games and would like to join an industry leader - please apply via our career portal. The application should include your resume, a cover letter including your earliest starting date, and why you would like to join us.
