Rainbow Six Siege is constantly growing and so is the team behind it. If you have a keen eye for details and great communications skills, apply and help us deliver a high quality gaming experience for our players as QA Tester (f/m/d).

This position will be located at Ubisoft Mainz (Germany).

Your tasks:

- Perform daily tests and responsibility for quality and stability of new game content, new features and upcoming releases
 - Working alongside developers, artists and designers to perform specific tests
 - Report and monitor software errors (bugs) and game design problems in a bug database
 - Verify fixes applied by developers (bug regression)
 - Provide feedback on features in development
 - Test on multiple platforms (PC, PS4, Xbox One)
 - Perform periodical validation tests and write validation reports in order to assess the quality and completeness level of the new content
 - Ensure that the tested software meets first party certification criteria as part of master certifications (verify final software version)
-
- Good communication skills
 - Analytical and critical approach
 - Ability to describe complex interrelations in writing
 - Proficient in handling bug tracking databases (JIRA or similar)
 - Good team player
 - Fluent in English (oral and written)
 - At least one year experience in Game Testing
 - Experience in multi-platform game development is a plus
 - Experience in AAA game development is a plus

Your benefits:

- Flexible working hours
- External training, education in our in-house guilds and knowledge sharing with other teams
- Fresh fruits, discounted gym membership, corporate benefits and support for child care
- Free bike rental or lease your own bike
- Working in an innovative and international company

We offer a highly interesting challenge for a team player including the possibility to show personal initiative. If you are passionate about video games and would like to work with like-minded professionals in an international team, please apply via our career portal. The application should include your resume, a cover letter including your earliest starting date, your salary expectations and why you would like to join us.
