In order to continue delivering highly qualitative and innovative game plays we are looking for a motivated and passionate Senior Service Programmer (Java) (f/m/d) that aspires to take games to the next level. In ambitious projects you will build up and maintain high-value productions as Developer in a multi-cultural team. With your experience, you are able to provide a strong technical background, collaborate with teams all around the world and support the team to create a great online services suite for Ubisoft Games (including AAA Games)!

Your Objective

- You develop and maintain new and existing online service used throughout the company
- You define and design software requirements and specifications based on user requirements
- You cooperate with project management to ensure on-time high quality delivery for the product departments
- You thoroughly document your work in order to transfer knowledge to your team members
- You are able to create a development plan and break it down into small, clear tasks

- Over 7 years' experience as a software engineer (Java or other JVM languages, industry standard frameworks)
- Strong background in Restful Web Services (both consuming and producing sides)
- Micro Service Architecture experience
- Knowledge of Agile and Continuous Delivery practices
- You are able to work in an agile, English speaking team
- You are familiar with analyzing and debugging performance issues

Bonus Level

- Experience with DevOps culture
- Experience with AWS or other cloud providers
- Experience with Linux

Your Benefits

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance.
- 26 days paid vacation per year. Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the NRW region.
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you.
- Opportunities for growth on your desired career path: Leadership training, workshops, guest speakers from the industry, online Ubisoft learning platform, coaches, Experts and library.
- Company Pension Scheme. We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Up to 350€ childcare support per child per month. In addition, we also offer 5 'care for ill children days' per child per year.
- Discounted Games. We regularly order Ubisoft Games for super cheap prices for our employees.
- Gym Subsidy. We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice.
- Lunch & Breakfast Service. Enjoy fresh discounted meals each day.
- Monthly Mobility Budget. 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket.
- Development Support: Online learning platform, workshops, leadership trainings, paid self-study hours, library, guest talks from the industry, Guilds for different disciplines, library, coaches and more
- English and German classes for free. Main language in the studio is English.
- Free fresh Fruit, Coffee, Tea and Water. Enjoy fresh fruit and beverages in our office.

We offer a highly interesting challenge for a team player including the possibility to show personal initiative. If you are passionate about video games and VR and would like to work with like-minded professionals in an international team, please apply via our career portal.

The application must include your resume, portfolio, and a cover letter detailing your earliest starting date, salary expectations and motivation
