In order to continue delivering highly qualitative and innovative products we are looking for a Backend Developer - TypeScript [Ubisoft Connect] (f/m/d)

This position will be located at Ubisoft Düsseldorf, Germany.

As part of the production team, you will be involved in the implementation of features and components throughout the full spectrum of backend development using TypeScript.

You will work closely with a multi-disciplinary team of programmers, designers and testers where everyone is willing to share their knowledge and are encouraged to evolve every day. The team spans across several countries and is characterized by passion, collaboration and the love for PC gaming.

What you will do:

- Write clear, modular and maintainable code.
- Work on the server backend of Ubisoft Connect. This covers topics such as: game data distribution, network architecture, database management, game related data management, server monitoring, API integrations.
- Be part of an agile team and do the technical design and implementation / improvements of new features.
- Testing, debugging, profiling and maintaining existing code.
- Building highly scalable services with low latency.

You as a person:

We believe to succeed in this role you are a result focused person, who is passionate about developing platform software for games with millions of users. Furthermore, you believe in team ownership of what you craft and will be working with your colleagues to learn, share ideas and solve complex problems.

Longing to be part of a fun, creative and passionate workplace? We can offer you this and more in an open and friendly environment where you will work with some of the best

craftsmen in the industry. Are you up for it? Come aboard for the ride!

What you bring:

- Excellent skills in TypeScript
- Knowledge in at least one of following: Backend Services, Network Architecture, Microservices, node.js
- 4+ years of professional programming experience
- Experience with common testing frameworks (e.g., Jest)
- Knowledge of C++, C#, .NET Core or databases is a bonus.

Also nice to have:

- Python
- REST
- NoSQL
- gRPC
- Network Security
- AWS & Cloud Technologies
- CI/CD

What to send our way:

- Your CV, highlighting your education, experience, and skills
- A cover letter including your earliest starting date, expected salary and why you would like to join us

Your benefits:

- Relocation Support: We offer financial support in form of a cash allowance and assistance with accommodation search and settle-in support via our relocation partner, for international candidates we offer visa assistance
- Ubisoft Blue Byte Academy: We offer multiple opportunities for you to discover your full potential and develop yourself in various areas. Guest speakers from the industry, workshops and access to our training and development platform
- Discounted Games: Discount on employee game orders & free Ubisoft games on Ubisoft Connect
- Monthly Mobility Budget: 80€ per month that can be used on bicycle lease, parking spot rental or public transportation ticket
- Up To 350€ Childcare Support Per Child Per Month: In addition, we also offer 5 'care for ill children days' per child per year
- Self-study And Training Hours: You have access to our in-house library
- Company Pension Scheme: We offer an attractive scheme through salary sacrificing in which the employer also matches contributions
- Gym Subsidy: We contribute 50% (up to a maximum amount of 25€) towards the monthly cost of a gym membership of your choice

- English And German Classes For Free: Good to know: Our main language in the studio is English
- Flexible Working Hours: We have core working times between 10:00 AM – 04:00 PM and the distribution of the other hours is up to you
- 26 Days Paid Vacation Per Year: Additionally, you will get half a day off on Christmas Eve and New Year's Eve and approximately 11 bank holidays in the Düsseldorf region
- Corporate Benefits Web Portal: With employee discount programs for affiliated retailers, shops and service providers

We offer a highly motivating challenge for team players interested in showing personal initiative in an innovative and international company. If you are passionate about video games and would like to join an industry leader - please apply via our career portal.
