As our new Local IT Technician (f/m/d) at Ubisoft Düsseldorf, you are responsible for delivering support for the local site employees. You have a passion for simplifying things and support us in the continuous optimization of IT-supported processes.

## What you will do:

- Offer on-site and remote support to end users within the local responsibility
- Incidents and requests management
- Manage local infrastructure (servers and network)
- Ensure approved security best practices and policies are being applied
- Provisioning and maintaining the employees work environment
- Interact with external vendors regarding support requests
- Provides support for events and meetings
- Support employees during equipment moves
- Maintain the IT asset inventory
- Build and update documentation
- Strive to continually improve IT policies and processes

## What you bring:

- Relevant education in Information Technology or equivalent experience
- 2+ years of experience in technical support to end users (Workstations, Laptops, Smartphones)
- Expertise in PC and laptop support and latest hardware news
- Excellent knowledge of Microsoft operating systems
- Good knowledge of the Microsoft Office Suite
- Good knowledge of networking, cabling
- Ability to work autonomously in a fast-paced changing environment
- Good English skills (spoken and written)
- Great sense of customer service
- Good listening, communication, and organizational skills

## What to send our way:

- Your CV, highlighting your education, experience and skills
- A cover letter including your earliest starting date, expected salary and why you would like to

join us
